Dear Sir:

We enclose herewith copy of a letter dated June 1st, 1955, addressed to this firm from [illegible]. As you will see by the letter two documents were enclosed with it -

1. A copy of a letter from the Registrar of [illegible] and to the Department of Mines and [illegible] Ottawa, dated May 18th, 1955, and

2. Copy of a declaration furnished by Mr. [illegible] Joseph F. Forrester when he applied for patent.

We have lost these enclosures and it may be they have been destroyed. If your file is still open we would be much obliged if you would forward us copies.

It is to that our enquiry should be directed to the Department of Immigration and Naturalization and, if so, we would ask you to forward this letter to that Department.

We might point out that in our original correspondence with you relative to this matter the party's name is given as Michael Joseph Forrester and he was referred to as Michael Joseph Forrester and he died in this city only six weeks ago.

The reason for our enquiry is this: the late Martin Joseph Forrester was born in Ireland and was brought to the United States at the age of [illegible]. Subsequently he became a naturalized American citizen. About the year 1[illegible] he came to Alberta and applied for a homestead and in the course of making his application apparently signed the declaration [illegible]. Whether the fact of making [illegible] American naturalization we [illegible]

We are acting for the late Mr. Forrester's daughter, who wishes to proceed to the United States and her entry there can be readily simplified if she can establish to the satisfaction of the U.S. [illegible] application that the father's American naturalization [illegible].

Dear Sir:

This will acknowledge your letter of the 9th of September, 1955, with enclosures, asking for assistance in establishing the national status of Martin Joseph Forrester who homesteaded in Alberta about 1920 and who has recently died.

Very many of our old Dominion Lands records have been destroyed but we still have the Application for Entry on the N.E.¼ 10-60-11 W. 4th Mer. made by Martin Joseph Forrester on the 9th of May, 1919 and also the sworn statement given in support of his application for Patent on the 2nd of March, 1925. On his Application for Entry Mr. Forrester stated that he was a citizen of the United States but declared his intention to become a British Subject. When he applied for Patent in March, 1925, Mr. Forrester completed the enclosed sworn statement which was accepted by the officers of the then Department of Interior as satisfactory evidence that he was a British Subject.

As the late Martin Joseph Forrester was considered to be a British Subject in 1925 there appears to be little assistance that we can given in establishing him as an American citizen.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Alta. Files 0011-9250.

With reference to the cancellation of the sale of this fraction to Mr. Charles H. McVeigh of Bowline Lake, in connection with which I would refer you to the letter of the Controller of the Land Patents Branch of this department of the 26th October last, I beg to say that in view of the small area involved it is not considered advisable to post the land for entry.

However, it is understood that the fractional South East quarter of the same Section has been posted as available for settlement, and you will please note that in the event of this land being filed on as a homestead, the entrant may be given the privilege of acquiring the fractional South West quarter by purchase, at a homestead inspector's valuation.

Your obedient servant,

Assistant Secretary.

Re application of C.J.F.Coombe to have the ... part of ... Sec. S.E.¼ ... Twp. ... Rge. ... as shown on the sketch attached hatched in red, added to his homestead entry for the portion of the said quarter section lying east of the road, shown on the sketch outlined in red.

Mr. Coombe states that he mistook the time of making entry that his entry covered the entire fractional quarter section and that the portion lying east of the lane is useless in itself. He also represents that another entry in the vicinity was granted entry for the similar fractional quarter section.

Mr. Homestead Inspector Blackwell reports that he drove his team into the north end of the lane and found the water have not receded [illegible] the last few years. As the two parcels are separated by the road allowance [illegible] kept in use would that ... application be granted.

Sir,

Re S.W. 30-12-23-W. 4th M.

I beg to inform you that the Agent of Dominion Lands, Lethbridge, has forwarded here on behalf of Mr. Charles F. Harris, Lethbridge, a declaration made by Clayton Turner of Barons, Alberta, respecting liens for $65.00 and $30.00, respectively, alleged to be wrongfully registered against the above described land, and to say the records here show that these liens were given by one John T. Smith in connection with the S.E.¼ 30-12-23-W. 4th M., and should not cloud the title to the first above described land.

You are, therefore, hereby authorized and requested to remove from the said the S.W.¼ 30-12-23-W. 4th M., the liens in question for $65.00 and $30.00, respectively, registered against it in error.

A copy of this letter is being sent to Mr. Harris for his information.

Kindly advise me of the action you may take in this matter.

Your obedient servant,

Wm. B. Gliddon,

Deputy Registrar of Dominion Lands Patents.

With reference to correspondence between you and our Agent of Dominion Lands at Lethbridge concerning Fodder and Relief liens given on the security of the above described quarter-section in 1917, I beg to advise you that these Liens were given by one John T. In this connection would you kindly advise me, if possible, if John T. Smith ever held an agreement of sale from you our Margaret Allen Tighe of the above described quarter-section, also information, if possible, as to his present address and any other data which you might consider or assistance to the Department in collecting this account.

Thanking you in anticipation of your favour in this matter.

Sir,-

Re - S.E. 30-12-23-4th.

I beg to direct your attention to the liens totalling $91.00 given by you in 1911 in favour of this Department to cover advances made to you on the security of the S.E. 30-12-23-West 4th Meridian.

Those liens are still outstanding and with interest at 5% to March 31st, 1924, amounted to $137.71 to which must be added interest at 5% from that date to the date of payment.

At the time you gave those liens you claimed that you held the S.E. 30-12-23-west 4th Meridian on an Agreement of Sale, but it has since been ascertained that you were merely a tenant under crop lease in the years 1911-1916. If such is the case your declaration of holding the land under Agreement of Sale constitutes a very serious offence, satisfaction of which can only be made by payment in full of these liens.

Kindly, therefore, give this matter your immediate attention.

Re: Account of John T. Smith
S.E. 30-12-23-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 fodder and relief amounting to $[illegible].00 was advanced to John T. Smith on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 95.00	$ 175.75	$ 270.75

At the time of obtaining the advances of fodder and relief in 1915 on the security of the S.E. 30-12-23-W4 the debtor was only the tenant and had no authority from the owner to give the land as security.

After representations by the registered owner, authority was issued on the 27th of April 1922 releasing the S.E. 30-12-23-4 as security for the liens. The indebtedness has since remained as a charge against the liens under his personal covenant.

The whereabouts of the original debtor is unknown but it is considered that there is no possibility of collection.

As the liens are no longer registered against the land and there is no further security for our advances, it is recommended that the indebtedness be cancelled.

C.W. Gilchrist.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

MEMORANDUM:-

Surface rights S.E.¼ L.S.5, S.½ L.S.6, and L.Subdivisions 3 & 4 of Sec.36, 7-4-W.5th. Application of Rocky Mountain Cement Co. Vacant in records of Department with exception of Legal Subdivision 5, and the N.½ L.S.6.

The applicants represented that these lands immediately adjoin the Company's cement plant, and are required for its purposes. The Deputy Minister instructed that a Homestead Inspector's report should be obtained, (My memorandum of the 15th October last, marked).

Mr.Homestead Inspector Link now reports that the Company has expended $125,000.00 on buildings and is commencing to instal machinery for the manufacture of cement, and that the Manager expected that the first cement would be made by August next.

The Inspector points out also that he could learn of no objection to the Company being permitted to acquire the land in question, if available, and recommends "as they are bona fide and the manufacture of cement will be a great advantage to this part of the country," that the application be granted.

Please see the plan, annexed hereto, on which the lands applied for are shown coloured blue, and the disposed of portions of the quarter section, (for stone quarrying purposes), hatched in red.
